15 August 1961

MEMORANDUM FOR: Chief, Technical Analysis Staff, DPD

THROUGH : Acting Chief, DP Division

SUBJECT : [REDACTED] Program 25X1A2g

REFERENCE : Memorandum for DD/P, dated 4 August 1961,  
from Director, NPIC, same subject.

I assume you are aware of this. You may wish to try to find out discreetly a little bit more about it. I anticipate that if and when we straighten out our new arrangements for a National reconnaissance program with the Pentagon, I will before long wish to interest myself again actively in the feasibility and optimum form of a covert capability. I would, therefore, not like to see something like this [REDACTED] program 25X1A2g get out of control in the meanwhile.
